

Welcome to Neo-Forenxis

Neo-Forenxis, LLC is a 21st-century medico-legal consulting company. We are a team of very credentialed, highly motivated and deeply intuitive clinicians and pathologists. We work together to resolve cases, unravel the scientific truth, provide answers and establish the facts in every spectrum of medical and forensic scenarios. We study, research, translate and apply prevailing and newly emerged medical and forensic knowledge to our consult cases and for our clients. We perform state-of-the-art medical and forensic autopsies including molecular autopsies, proteomic autopsies and metabolic autopsies.

Neo-Forenxis, LLC provides medico-legal consulting, autopsy and expert witness services to every one and we accept every case without any limitations.
